

Declaration of No Gift Policy for Fiscal Year 2024

I, Ms. Piyawan Limpanyalert, as the **Chief Executive Officer** of the Healthcare Accreditation Institute (Public Organization) or HAI, hereby officially declare our unwavering commitment to the “No Gift Policy” on behalf of the entire staff at the HAI. This policy is effective throughout Fiscal Year 2024 and encompasses a firm stance against the acceptance of gifts, including tokens of appreciation and bribes, whether on or off the work premises.

Our intent is to uphold the highest standards of integrity, transparency, and a commitment to the collective interest over individual interests within the HAI. Our goals in implementing this policy are to end corruption in all its manifestations and to build public confidence.

The Healthcare Accreditation Institute (Public Organization) appreciates sentiments such as congratulations, gratitude, greetings, or condolences. We kindly request that these be conveyed through signed cards, books, or social media, as we will not be accepting physical gifts.

This declaration is made public for the awareness and strict adherence of all concerned parties. We urge everyone to acknowledge and comply with this policy.

Announcement in **3** January 2024

Piyawan Limpanyalert

(Mrs. Piyawan Limpanyalert)

Chief Executive Officer

The Healthcare Accreditation Institute (**Public Organization**)
